a call for COURAGE

MCF2022

July 29-31, 2022

Welcome to the Maritime Christian Fellowship 2022!

The Church is in a time of steep decline. Memberships are dwindling, young people are departing, and donations are decreasing. If this weren't enough, our culture is quickly and increasingly turning hostile towards the Christian faith. How do we navigate the difficulties of our present age?

How do we respond to a post-Christian culture? How do we engage a society immersed in secularism with the gospel? Is there a future for the Church?

In a time where Christianity is losing ground, our impulse may be to panic, give up, or lose hope. But what if this time of unbelief was actually an opportunity for renewal?

What if there were a way of living that showed our neighbours the truth and beauty of our faith? **Even in these difficult times, we have a reason to be courageous.**

Tidying Up

We are so thankful to be able to gather here in the beautiful Beulah campground! In order to maintain the beauty and cleanliness, please help throughout the weekend by picking up and disposing of any trash you see on the grounds or in the buildings. As you leave each service, kindly check the row you are seated in and remove any garbage you find.

As well, we ask that you leave your accommodations clean and swept, and tie up any garbage.

Planning Committee

We had a helpful roster of volunteers to help plan this year's Fellowship: Megan Davies (Children), Bonnie Eadle (Registration), Darlene Ketch (Finance), Nancy Rickard, Josh Stevenson, Katie Stevenson (website and promotion), Gordon Weatherby, and Nancy Jones.

It is a joy to work together to make MCF happen! We are always looking for more volunteers to step up and help. See one of us if you are interested!

Beulah Camp Policies

Beulah Camp is a Christian camp owned and operated by the Atlantic District of The Wesleyan Church. Basic Christian conduct in matters of relationships, morals, integrity, and cooperative spirit is expected from all present. As a further guide, we require that all cottagers, campers, and persons on the grounds respect the following policies:

1. It is important to respect the privacy and comfort of others on the grounds. Therefore, quiet is to be maintained throughout the grounds after 12 midnight.
2. Children and students up to and including senior high school are required to be in their respective dwellings by 12 midnight unless participating in a supervised activity. These young people are not to be left alone in cottages, trailers, or on the grounds overnight without adult supervision.
3. The non-medicinal use of drugs, alcoholic beverages, and tobacco is prohibited.
4. During the two Sundays of Beulah Camp Meeting, recreational areas will be closed. They will also be closed for the balance of the camping season during the hours of scheduled Sunday services at the Tabernacle.
5. We encourage modest apparel in the services, on the grounds, and bathing areas at all times, and require that an adequate covering be worn by those going to and from the beach.
6. Those launching boats from the beach must exercise great care and caution in doing so, and are requested to move their trucks/trailers away from the beach area to allow others the courtesy of access to the water.
7. Toilet tissue is the only paper product to be placed in toilets - no feminine products or diapers! These items cause serious problems to the system and could result in complete breakdown. This applies to cottages and trailers as well as public restrooms. No exceptions - extremely important!
8. No open fires are permitted except on the beach.
9. Dogs are permitted on the grounds under the following conditions:
 - a) All dogs must be on a leash when out of doors and accompanied by an individual who can control them.
 - b) All animal owners must be courteous enough to collect and properly dispose of any droppings their animal produces.
 - b) Animals are not permitted on the beach (Department of Health directive) or in any camp-owned building.
 - c) Any dog deemed to be a nuisance or a threat by the camp officials (barking, lunging, biting, etc.) must be removed immediately by the owner.

Meet Our Speaker: James Stevenson

We are pleased to have James Stevenson as our speaker this year. James has been an Associate Pastor at HCC since September 2009. He's passionate about seeing a church that is both reaching the lost and growing deeper in faith.

James grew up on PEI and received a BA of Bible from Maritime Christian College in 2009. In 2016 James received a Master of Arts (Religion) in Pastoral Leadership degree at MCC. He and his wife, Shannon, have a son and a daughter. James hopes to see the Toronto Maple Leafs hoist the Stanley Cup in his lifetime.

General Information

Camp Bell: when you hear that camp bell ringing, it is your 'call to worship' - a five minute reminder that a worship service is beginning in the tabernacle.

Canteen: We are not operating a canteen this year, however, Beulah Camp will have fast food options available after both evening services, for a fee. Cash only. This is separate from the refreshments (muffins, cookies, fruit) we will have available in the evenings.

Keys: If you signed out keys, please return to Bonnie Eadle before you leave.

Meals: will all be served in the dining hall and everyone is asked to allow parents with small children and anyone needing assistance to go first. If you do require help, please be seated at your table and your helper can come to the side door of the kitchen to get your meal.

Name Tags: Members of the MCF 2022 Committee have yellow name tags; please see them with any questions. A 'Kid-Friendly' yellow star on name tags identifies safe children's ministry volunteers.

Offering: Offering will only be collected one time, which will be during the Sunday morning

Children's & Youth Programs, continued

Parents of children in the Nursery and Elementary programs must accompany their children to the designated site for their child's age group and sign them in, but will have enough time to make it back to the tabernacle before the message begins.

Promptly following the message, parents of all children, regardless of age, must pick up and sign out their children. For safety reasons, volunteers working with the children's program cannot dismiss your children; they must be picked up.

Please Note: *Volunteers have been asked to plan for 45 minutes of programming, but if the service is going longer than expected, please be mindful of the time and pick up your children.*

Youth Program

Teens in Grades 6-12 will join in worship in the Tabernacle and then leave for their programming (Friday and Saturday) with Richard Jones and Mark Ketch. Teens meet in the room above the Dining Hall. They will remain in the Tabernacle for the entire service Sunday.

Children's & Youth Programs
